## February 2025

**NEXT GENERAL MEETING WILL BE FEBRUARY 5TH, 7 PM AT  
THE UNITARIAN UNIVERSALIST CHURCH OF BOULDER  
5001 PENNSYLVANIA AVE, BOULDER, CO 80303**

### Message from the President

The long-awaited launch of our new website has happened. Please visit [www.flatironsskiclub.com](http://www.flatironsskiclub.com) cruise around and give us your input. It projects a good image with newer photos than the old one, and it describes our many activities. The Board hopes you will agree that it is much more attractive, even though more improvements are planned. Tweaks are still occurring, and we want it to be user-friendly. There is even a way to pay for things in the Members Only section. Linda Giandinoto sent out information via email on how to access. Please note that if you want to pay for an overnight trip, at this time through the website you can only pay the total cost, not another amount, like the net after paying a deposit. Checks may be more efficient in that case for the time being.

We have had some great programs, with more to come, for our monthly meetings. We thank Joe Golden for that, and he isn't done yet. In February, it will be Mush, you Huskies! Don't miss it.

A word about our general meeting agendas. We say the meeting starts at 7, but we allow some social time for people to greet each other and perhaps do business with the Membership Chair and the Treasurer. Don't expect to come to the meeting and sit down at 7. It's more like 7:15 to 7:30 pm. We are social animals.

**Louisa Young, President**

## February 5th FSC General Meeting Program

### Title: Adventures of an Iditarod Volunteer

Wendy Durst (daughter of club member Ruth Durst) has been teaching her elementary students about the Iditarod Sled Dog Race for 20+ years. In 2020, she decided to go to Anchorage "just to see the start" - and ended up volunteering! Next month, she will head back to volunteer for the 5th time. This will be her third year volunteering at a checkpoint along the trail. All three checkpoints have been / will be "off the grid", remote Native Alaskan villages.

**By the way.....** Dave Sutherland who gave a super interesting presentation on the skulls of mammals including humans at the January FSC General Meeting can be contacted at: [www.DaveSutherland.CO](http://www.DaveSutherland.CO)

## FSC Book Club

**DATE and Time:** February 10, 2025, 5:30 PM

**HOST & Leader:** Claudia Van Wie – see FSC roster for address

**Book:** “An Unfinished Love” by Doris Kearns Goodwin

### Description:

The Doris and Dick Goodwin's (married for 42 years) last great adventure involved finally opening the more than three hundred boxes of letters, diaries, documents, and memorabilia that Dick had saved for more than fifty years. They soon realized they had before them an unparalleled personal time capsule of the 1960s, illuminating public and private moments of a decade when individuals were powered by the conviction they could make a difference; a time, like today, marked by struggles for racial and economic justice, a time when lines were drawn and loyalties tested. Their expedition gave Dick's last years renewed purpose and determination. It gave Doris the opportunity to connect and reconnect with participants and witnesses of pivotal moments of the 1960s. And it gave them both an opportunity to make fresh assessments of the central figures of the time—John F.

Kennedy, Jacqueline Kennedy, Martin Luther King Jr., Robert Kennedy, Eugene McCarthy, and especially Lyndon Johnson, who greatly impacted both their lives. The voyage of remembrance brought unexpected discoveries, forgiveness, and the renewal of old dreams, reviving the hope that the youth of today will carry forward this unfinished love story with America.

**BTW: I will be taking over the Book Club Leader responsibilities, replacing Richard Patnoe, and will have huge shoes to fill! We thank Richard for 7 years of hard work!**

Amy Lem Varey, Book Club Leader

## Thursday Hikes January 2025

We meet at the Meadows Shopping Center parking lot in the northeast area, near the office building. For the winter we are changing our meeting time to 8:45 and plan to leave promptly at 9. Look for people standing by their cars. The Meadows is on the southwest quadrant of the corner of Baseline and Foothills Parkway. It's an option to drive yourself and meet at the trailhead but let us know your plan. Pay attention to the forecast and bring layers of clothing plus water and snacks. We are often out all day and stop for a picnic lunch along the way. We welcome newcomers. Here is the plan for the coming month. A reminder goes out on Sunday or Monday to an email list maintained by Louisa. Be sure to get yourself on that list for current information as we go along. We reserve the ability to change without notice if the weather or other factors so motivate us.

**February 6** – Picture Rock at Heil Ranch. The trailhead is off of Highway 7 just outside of Lyons. Look for signs on the left (south) side of the road. It's 5.2 miles out and back with maybe 500 ft of elevation gain.

**February 13** – Big Bluestem is part of the Mesa Trail system and we will make a loop out of it. We start at South Boulder Creek Trailhead, which is on Highway 93, near Marshall Road. The total mileage is 4.3 with some elevation change, but not a lot. We tried to do this one last month but were deterred by wind.

**February 20** – Flatirons Vista to Dowdy Draw and back is about 4 miles roundtrip, relatively flat most of the way. The trailhead is on Highway 93 south of Boulder. The views are spectacular. We tried this one in December but were deterred by mud.

**February 27** – Teller Farm is about 6 miles out and back on an easy trail. The trailhead is located off of Arapahoe Road between 75th and 95th on the north side of the road.

**Leaders: Louisa Young and Ruth Durst**

## **Cross Country and snowshoeing on Tuesdays!**

Mark your calendars. If you are interested, please send me an email if you are new.

**Dorothy Cohen, Coordinator**

### **FRIDAY AFTERNOON CLUB**

FAC has been an FSC tradition for many years. Everyone is welcome. We meet at Rincon Cocina Y Tequila starting at 4:00 p.m. every Friday. The restaurant is on Arapahoe just west of the intersection of Folsom and Arapahoe. Hope to see you there.

## **Skiing Safely!**

The slopes are getting more crowded and dangerous. We must do all we can to be safe on the slopes. Several additional pieces of advice I have learned from ski patrollers are:

- Keep your head on a swivel. Always look around to know if somebody's near you. Beware when even doing a slight traverse. I was nearly blindsided by a straight liner recently when only crossing the slope for a very short distance.
- When stopped, look uphill and wait for the slopes to clear before proceeding. Remember, a lot of people on the slopes may have had lessons in how to ski or snowboard, but not in how to be safe on the slopes and avoid others. I still remember what I learned in driver's education over 50 years ago: drive and ski defensively and leave yourself an out.
- When coming close to another skier or passing somebody, call out loudly "on your left" or "on your right"- same as while bicycling.

Also, we have a lot of potlucks and communal meals coming up with our ski trips. I have seen people in line for food, blow their nose or coughing into their hands, and then get back into line without washing their hands. If this is you, please wash your

hands again. Trip leaders, please keep hand sanitizer close by at mealtimes and remind people to wash their hands. I will help with these reminders when necessary. We don't want anyone to get sick. If you're not feeling good or have a communicable disease, please stay home.

Also, below are Ski Patrol numbers for numerous areas. I recommend that everybody going on trips put the appropriate numbers in their phones:

<b>Winter Park</b>	<b>970-726-1480</b>
<b>Copper Mountain</b>	<b>970-968-3311</b>
<b>Steamboat</b>	<b>970-871-5911</b>
<b>Eldora</b>	<b>303-440-8700 extension 9</b>
<b>Snowmass</b>	<b>970-923-0530</b>
<b>Aspen Mountain</b>	<b>970-920-0723</b>
<b>Aspen Highlands</b>	<b>970-544-3052</b>
<b>Aspen Buttermilk</b>	<b>970-920-0969</b>
<b>Crested Butte</b>	<b>970-349-2236</b>
<b>Vail</b>	<b>970-754-1111</b>
<b>Ski Cooper</b>	<b>719-486-2277</b>
<b>Monarch</b>	<b>719-530-5000</b>

I'm looking forward to lots of fun on our trips and on the slopes.  
Stay safe!

**Arnie Mullen, Safety Chair**

## **FSC Movie Night at Janet Evans' home**

**Date: April 17, 2025**

**The cost will be \$8.**

A documentary film about the exploits of the Tenth Mountain Division, an elite group of mountain soldiers who fought decisive battles against the Germans in the Italian Alps during the final days of World War II. The film also attempts to keep up with alumni from the Tenth who have made a name for themselves, and meets with partial success (they note the founder of Nike, the president of the Sierra Club, and the first owners of Vail Ski Resort, but seem to have left out one Robert Dole, presidential candidate, who lost the use of his right hand serving in the Tenth).

# Suggested Carpool Fees for FSC Overnight Ski Trips 2025

We did not think it appropriate to change the suggested carpool fees for this season's FSC overnight ski trips. These fees were loosely based on gas prices at \$3.50/gallon and a suggested carpool fee of 7 cents/mile, but keep in mind that driving costs have been driven up by inflation, and winter driving can stress both car and driver! They are guidelines only, and subject to change.

Destination	Round Trip Mileage (from Central Boulder)	Suggested Carpool Fee (7cts/mile)
Crested Butte (Cristiana)	480	\$35
Steamboat	325	\$25
Monarch (Salida)	310	\$25
Snow Mtn Ranch & Fraser	175	\$15
Snowy Range (Centennial)	320	\$25
Aspen (Carbondale)	355	\$30
Ski Cooper (Leadville)	215	\$20

Notes:

- The carpool fees above do not include daily driving to the ski areas or restaurants from the lodging. These need to be figured out separately.
- Take into consideration the number of people who are in the car.
- Pricing is ultimately at the discretion of the driver and the type of vehicle in use.
- To avoid misunderstandings, discuss carpool fees prior to your trip departure.

Enjoy the season!

**Richard Varey, Downhill & Nordic Ski Chair**

## Welcome to new FSC members!

The ski season is in full swing, with mid-week skiing and overnight trips, we have new members who:

May not know whom to carpool with to the ski area, hotel or trailhead.

Don't know who downhill skis and cross-country skis, and at what level.

May not be able to come to the monthly meetings to schmooze with us, or be expert schmoozers.

Ski trip leaders work hard to organize the trips, and provide information on the resort, but there's only so much they can do to include new members. So, it's up to the rest of us to make new members feel welcome. Here are some things we can all do:

Email the trip or group list if you can offer a ride.

During group gatherings, stop the schmoozing momentarily, ask new members to introduce themselves and say what kind of skiing they do.

If there's a lunch meetup make sure it's announced so everyone knows about it.

We're a welcoming bunch, whether skiing or joining in the club's other activities. Let's keep it up!

**Richard Varey, Downhill & Nordic Ski Chair**

## Calling all Ski Loveland Lovers!

Nan Keehner invites members with a Loveland ski pass to join the meet-up email group she manages. There's no fixed schedule, but anyone can send an email looking for rides or riders or just to let others know they will be there on a certain day. If anyone is interested in being on the list, they should send email to [nankeehner@yahoo.com](mailto:nankeehner@yahoo.com) and put "FSC Loveland" in the subject line.

**Heads up, first spring trip announcement:  
The annual Moab Trip date is Sunday May 4 to Friday  
May 9, 2025**

**More information will be provided in the March FSC newsletter by the new trip leaders, Ruth Durst and Janne Cookman**

## Leadville Ski Trip March 11 to 13, 2025

**Attention:** There have been cancellations recently. We need one dude and one lady to join the previously full trip. Double queen rooms are shared by the same gender. Single queen rooms are also available.

**Welcome!** Please join us on the year's final "mid-week" ski trip during the snowiest month of the year. This year we will be staying at the Columbine Inn & Suites located in Leadville. The town is on Hwy 91, a half hour past Copper Mountain ski area and ski Cooper is 9 miles, 12 minutes from lodge to slopes. I have negotiated access to their breakfast room for our Happy Hour for both evenings.

**Ski Cooper** is different, in all the right ways! Soft all-natural snow, terrain variety for everyone, laid-back atmosphere, family-friendly vibe, great food & drinks, and reasonable prices. The FSC club has few lifts: you can see, be seen or change FSC groups all day. Very social! We meet for lunch at the only lodge on picnic benches at 12:30 PM. Powder days happen every year, we do fresh tracks till late afternoon. It is very different from "Mega areas" to which you have been.

**Cross Country:** There are three well-liked areas within 15 minutes of lodge.

**Lift Tickets:** Ski Cooper is not on EPIC pass or IKON pass. Free for 75+ age. Loveland pass includes 3 free days here. The window price (TBD) was \$90 last year.
